Objective Reviews

At Pollo Leñero, the menu celebrates the bold, smoky essence of traditional Mexican cuisine, with dishes that capture both comfort and creativity. The **Chilaquiles Con Huevo** stand out for their perfect balance of crunch and flavor - crispy tortilla chips drenched in vibrant salsa, topped with a delicately fried egg that ties it all together. For those who crave something heartier, the **Costillas Y Pollito** delivers an indulgent mix of tender ribs and juicy chicken, slow-cooked to perfection with that signature wood-fired taste.

The **Taco de Pollo Con Queso Fundido Y Guacamole** is a must-try, blending melted cheese and creamy guacamole with perfectly grilled chicken in a soft tortilla - a satisfying bite that's both rich and fresh. Fans of traditional flavors will appreciate the **Picada de Mole**, a soulful dish that showcases Pollo Leñero's mastery of sauces, with its deep, aromatic mole complementing the meat beautifully. Meanwhile, the **Pollo Enchilado Pollo Asado Y Queso Fundido** layers textures and spice - smoky grilled chicken paired with molten cheese and a touch of chili heat.

For health-conscious diners, the **Picada de Masa de Nopal Preparada Con Huevo Muy Fit** and **Picada de Masa de Nopal Con Huevo Revuelto** offer a lighter, protein-packed alternative without sacrificing authenticity. The tender cactus base gives these dishes a unique texture and earthy flavor that feels both nourishing and satisfying. On the spicier side, the **Chilaquiles Con Sirloin** elevate the classic breakfast dish with juicy sirloin slices, making it a standout option for those who enjoy a savory twist.

To start any meal, the **Totopos Y Salsas** are a simple yet irresistible introduction - crisp tortilla chips accompanied by vibrant, house-made salsas that range from mild to fiery. Finally, the **Picada Preparada Con Huevo Estrellado** offers a rustic, comforting finish, featuring a fried egg whose golden yolk enriches every bite.

Each dish on the Pollo Leñero menu reflects a love for grilled flavor, homemade sauces, and generous portions, delivering an experience that feels both traditional and refreshingly modern.
